

Kneat Announces Graduation to the Toronto Stock Exchange

November 15, 2021 1:00 PM EST

LIMERICK, Ireland, November 15, 2021 /CNW/ – kneat.com, inc. (TSXV: KSI) (“Kneat” or the “Company”) a leader in digitizing and automating validation processes, is pleased to announce that, as of market open today, its common shares will begin trading on the Toronto Stock Exchange (TSX) under the symbol “KSI”. This follows the Company’s [previously announced conditional approval to uplist](#) (the “Uplisting”) from the TSX Venture Exchange (TSXV).

“Kneat has demonstrated tremendous growth since its initial listing on the TSXV. With our increased scale and growing total addressable market, we believe it’s the ideal time to graduate to the TSX. This listing will not only increase global visibility for Kneat and our industry leading technology, but also provide us with access to a broader range of investors seeking to invest in one of the world’s leading life sciences software companies,” **said Eddie Ryan, Chief Executive Officer of Kneat.**

Effective at market open on November 15th, 2021, Kneat’s common shares will concurrently be delisted from the TSXV.

About Kneat

Kneat, a Canadian company with operational headquarters in Limerick, Ireland, develops and markets the next generation Kneat Gx software platform. Multiple business work processes can be configured on the platform from equipment to computer system validation, through to quality document management. Kneat’s software allows users to author, review, approve, execute testing online, manage any exceptions and post approve final deliverables in a controlled FDA 21 CFR Part 11/ Eudralex Annex 11 compliant platform. Macro and micro report dashboards enable powerful oversight into all systems, projects and processes globally. Customer case studies are reporting productivity improvements in excess of 100% and a higher data integrity and compliance standard. For more information visit www.kneat.com.

Cautionary and Forward-Looking Statements

Except for the statements of historical fact contained herein, certain information presented constitutes “forward-looking information” within the meaning of applicable Canadian securities laws. Such forward-looking information includes, but is not limited to, the relationship between Kneat and the customer, Kneat’s business development activities, the use and implementation timelines of Kneat’s software within the customer’s validation processes, the ability and intent of the customer to scale the use of Kneat’s software within the customer’s organization and the compliance of Kneat’s platform under regulatory audit and inspection. While such forward-looking statements are expressed by Kneat, as stated in this release, in good faith and believed by Kneat to have a reasonable basis, they are subject to important risks and uncertainties. As a result of these risks and uncertainties, the events predicted in these forward-looking statements may differ materially from actual results or events. These forward-looking statements are not guarantees of future performance, given that they involve risks and uncertainties. The forward-looking information in this press release does not include a full assessment or reflection of the unprecedented impacts of the COVID-19 pandemic occurring since the first quarter of 2020 and the ongoing and developing resulting indirect global and regional economic impacts. This has resulted in significant economic uncertainty and even though the company has to date experienced no significant impact to its operations, any potential impact on our future is difficult to understand or measure at this time. Kneat does not undertake any obligation to release publicly revisions to any forward-looking statement, except as may be required under applicable securities laws. Investors should not assume that any lack of update to a previously issued forward-looking statement constitutes a reaffirmation of that statement. Continued reliance on forward-looking statements is at an investors’ own risk.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
