

## **Kneat Appoints SaaS Industry Veteran, Rory Cameron, as New Board Member**

May 1, 2019 12:00 PM EDT

HALIFAX, May 1, 2019/CNW/ – kneat.com, inc. (TSX-V: KSI) (“Kneat”) is pleased to announce that Mr. Rory Cameron has been appointed to its Board of Directors. Mr. Cameron has over 15 years of experience in the software industry and an extensive background in mergers, acquisitions and go-to-market operations within global cloud companies. Mr. Cameron recently joined Medallia as Executive Vice President, Corporate Development where he is focusing on accelerating Medallia’s growth through new technology partnerships and acquisitions. Prior to joining Medallia, Mr. Cameron was Executive Vice President of Corporate Development at CallidusCloud until its sale to SAP.

“We are pleased to welcome Rory to the team. Rory brings proven expertise to our board in the area of corporate development within leading cloud-based software companies. We look forward to gaining Rory’s valuable insight into our strategic initiatives as we build and grow our operations,” said Mr. Eddie Ryan, Chief Executive Officer of Kneat.

### **About Kneat**

Kneat, develops and markets the next generation Kneat Gx software platform. Multiple business processes can be configured on the platform from equipment to computer system validation, through to production record execution and quality document management. Kneat Gx allows users to author, review, approve, execute testing online, manage any exceptions and post approve final deliverables in a controlled FDA 21 CFR Part 11/ Eudralex Annex 11 compliant platform. Macro and micro report dashboards enable powerful oversight into all systems, projects and processes world wide. Customer case studies are reporting productivity improvements in excess of 100% and a higher compliance standard. For more information visit [www.kneat.com](http://www.kneat.com).

### **Cautionary and Forward-Looking Statements**

Except for the statements of historical fact contained herein, certain information presented constitutes “forward-looking information” within the meaning of applicable Canadian securities laws. Such forward-looking information includes, but is not limited to, the relationship between Kneat and its customers, Kneat’s business development activities, the use of Kneat’s software within its customers’ validation processes, the ability to scale the use of Kneat’s software within its customers’ organizations and the compliance of Kneat’s platform under regulatory audit and inspection. While such forward-looking statements are expressed by Kneat, as stated in this release, in good faith and believed by Kneat to have a reasonable basis, they are subject to important risks and uncertainties. As a result of these risks and uncertainties, the events predicted in these forward-looking statements may differ materially from actual results or events. These forward-looking statements are not guarantees of future performance, given that they involve risks and uncertainties. Kneat does not undertake any obligation to release publicly revisions to any forward-looking statement, except as may be required under applicable securities laws. Investors should not assume that any lack of update to a previously issued forward-looking statement constitutes a reaffirmation of that statement. Continued reliance on forward-looking statements is at an investors’ own risk.

*Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.*
