The second-quarter financial results will be available from the Financial Information section of the Investors page on the Kneat Solutions website, at: https://kneat.com/investors/

About Kneat

Kneat, a Canadian company with operational headquarters in Limerick, Ireland, develops and markets the next-generation Kneat Gx software platform ("Kneat Gx"). Multiple business work processes can be configured on the platform, from equipment to computer system validation, through to quality document management. Kneat Gx allows users to author, review, approve, execute testing online, manage any exceptions and post-approve final deliverables in a controlled FDA 21 CFR Part 11/ Eudralex Annex 11 compliant platform. Macro and micro report dashboards enable powerful oversight into all systems, projects, and processes globally. Customer case studies are reporting productivity improvements in excess of 100% and a higher data integrity and compliance standard. For more information visit www.kneat.com.
