

Global Consumer Healthcare Leader Selects Kneat

November 27, 2023 2:07 PM EST

LIMERICK, Ireland, Nov. 27, 2023 /CNW/ - **kneat.com inc.** (TSX: KSI) (OTC: KSIOF), a leader in digitizing and automating validation and quality processes, is pleased to announce that a US-headquartered manufacturer of consumer health and wellness products has chosen Kneat to digitize its equipment Commissioning and Qualification process across more than 25 global sites. Implementation at the lead pilot site will begin immediately with go-live expected in Q1 2024.

With over twenty thousand employees, the company provides multiple leading brand-name products to consumers in over 150 countries.

"This global leader is pushing hard on its digital transformation journey and we are excited to be a part of that initiative," stated Eddie Ryan, Chief Executive Officer of Kneat. "Kneat continues to win major clients and build on its leadership position in the life sciences industry because of its success in delivering operational efficiencies and a higher compliance standard."

About Kneat

Kneat, a Canadian company with operational headquarters in Limerick, Ireland, develops and markets the next-generation Kneat Gx SaaS platform. Multiple business work processes can be configured on the platform from equipment to computer validation, through to quality document management. Kneat's software allows users to author, review, approve, execute testing online, manage any exceptions, and post-approve final deliverables in a controlled FDA 21 CFR Part 11/ EU Annex 11-compliant platform. Macro and micro report dashboards enable powerful oversight into all systems, projects and processes globally. Customer case studies are reporting productivity improvements in excess of 100% and a higher data integrity and compliance standard. For more information visit www.kneat.com.

Cautionary and Forward-Looking Statements

Except for the statements of historical fact contained herein, certain information presented constitutes "forward-looking information" within the meaning of applicable Canadian securities laws. Such forward-looking information includes, but is not limited to, the relationship between Kneat and the customer, Kneat's business development activities, the use and implementation timelines of Kneat's software within the customer's validation processes, the ability and intent of the customer to scale the use of Kneat's software within the customer's organization and the compliance of Kneat's platform under regulatory audit and inspection. While such forward-looking statements are expressed by Kneat, as stated in this release, in good faith and believed by Kneat to have a reasonable basis, they are subject to important risks and uncertainties. As a result of these risks and uncertainties, the events predicted in these forward-looking statements may differ materially from actual results or events. These forward-looking statements are not guarantees of future performance, given that they involve risks and uncertainties.

Kneat does not undertake any obligation to release publicly revisions to any forward-looking statement, except as may be required under applicable securities laws. Investors should not assume that any lack of update to a previously issued forward-looking statement constitutes a reaffirmation of that statement. Continued reliance on forward-looking statements is at an investor's own risk.
