Kneat to Present at the Emerging Growth Conference on January 10, 2024

December 21, 2023 2:02 PM EST

Kneat invites investors to real-time, interactive engagement with CEO Eddie Ryan

LIMERICK, Ireland, Dec. 21, 2023 /CNW/ - (TSX: KSI) (OTC: KSIOF), a leader in digitizing and automating validation and quality processes, is pleased to announce that it will be presenting at the Emerging Growth Conference on January 10, 2024.

This live, interactive online event will give existing shareholders and the investment community the opportunity to interact with Kneat's Chief Executive Officer and co-founder, Eddie Ryan, in real time.

Mr. Ryan will give an overview of Kneat, a fast-growing TSX-listed software company with accelerating growth in revenue, and the progress the business has made since its founding. Since winning its first customer nine years ago, Kneat has helped to revolutionize the speed, precision, transparency and intelligence of validation in the Life Sciences sector. The Kneat Gx software-as-a-service platform is now used by some of the world's leading Life Sciences companies, including most of the world's largest pharmaceutical companies, to validate their quality processes digitally.

After the presentation, Mr. Ryan will invite participants to ask questions. Questions may be submitted in advance to Questions@EmergingGrowth.com or during during the event.

Kneat will present at 12:30 PM ET – 1:05 PM ET on Wednesday, January 10, 2024.

Interested parties can register for the live conference via the following link:

An archived webcast will also be made available after the event.

About Kneat

Kneat, a Canadian company with operational headquarters in Limerick, Ireland, develops and markets the next-generation Kneat Gx SaaS platform. Multiple business work processes can be configured on the platform from equipment to computer validation, through to quality document management. Kneat's software allows users to author, review, approve, execute testing online, manage any exceptions, and post-approve final deliverables in a controlled FDA 21 CFR Part 11/ EU Annex 11-compliant platform. Macro and micro report dashboards enable powerful oversight into all systems, projects and processes globally. Customer case studies are reporting productivity improvements in excess of 100% and a higher data integrity and compliance standard. For more information visit www.kneat.com.

About the Emerging Growth Conference

The Emerging Growth conference is an effective way for public companies to present and communicate their new products, services and other major announcements to the investment community from the convenience of their office, in a time-efficient manner.

The Conference focus and coverage includes companies in a wide range of growth sectors, with strong management teams, innovative products & services, focused strategy, execution, and the overall potential for long-term growth. Its audience includes potentially tens of thousands of Individual and Institutional investors, as well as Investment advisors and analysts.
