"Earning three G2 leader badges is no small feat for a software company supporting any industry, let alone one as demanding and precise as life sciences," said Eddie Ryan, CEO of Kneat. "The achievement reflects not only the trust that our customers place in us, but the dedication of our team to deliver Kneat's pioneering user-focused software. At Kneat, customer satisfaction isn't just a value — it's at the heart of everything we do. I am proud of our team for embracing this mission every single day."

Kneat's top rating in the G2 Pharma and Biotech Relationship Index is based on customer feedback across categories "Ease of Doing Business," "Likely to Recommend," and "Quality of Support." Kneat was also rated 2nd overall in the G2 Pharma and Biotech Usability Index measuring customer feedback on "Ease of Admin," "Ease of Use" and "Meets Requirements."

G2 scores are based on validated reviews from industry professionals utilising factors such as a company's review count, web presence, growth, influence and engagement. As the largest and most trusted software marketplace, G2 offers 100% validated reviews that more than a million professionals annually — including employees at all Fortune 500 companies — rely on to make informed decisions about their software purchases.

About Kneat

Kneat Solutions provides leading companies in highly regulated industries with unparalleled efficiency in validation and compliance through its digital validation platform Kneat Gx. As an industry leader in customer satisfaction, Kneat boasts an excellent record for implementation, powered by our user-friendly design, expert support, and on-demand training academy. Kneat Gx is an industry-leading digital validation platform that enables highly regulated companies to manage any validation discipline from end-to-end.
